

Trannack Primary School Pupil Premium 2020-21

At Trannack School we will receive £1345 of Pupil Premium for each eligible pupil, £310 of Service Premium for each eligible pupil and £2300 of Pupil Premium plus for each eligible pupil. The total amount of Pupil Premium calculated for 2020-21 is £23,315.

In September 2020 the school had 17 pupils eligible for Pupil Premium and 13 pupils eligible for Service Premium.

In addition the school will receive £80/ pupil of Catch Up Funding to support pupils to catch up after disrupted learning during Covid-19 school closures. The total amount of Catch Up Funding is £4,960. The government recognises that those from the most vulnerable and disadvantaged background will be effected the most, which is why we have included this funding with our Pupil Premium action plan but it is fully recognised that catch up funding applies to any pupil who was affected by school closures.

Pupil Premium funding strategy is reviewed annually. We measure the impact of the funding with the gap in attainment and progress between disadvantaged and other pupils. We also use teacher assessment of key learning objectives and the teachers' knowledge of the pupils to evaluate how well the pupil's engagement with learning has improved and what barriers to learning may have reduced.

The main barriers to educational achievement that eligible pupils face are

- Low self-esteem, low self-worth and lack of confidence in ability to achieve
- Emotional trauma - which may or may not be associated with historical events
- High anxiety - which may or may not be associated with a diagnosis such as ASD or ADHD
- Special Educational Needs
- Low attendance
- Lack of participation in extra-curricular and enriching activities

We aim to spend this on

- support for pupils in small groups for core skills in the classroom or intervention out of the classroom
- support for vulnerable pupils with access to emotional and pastoral support and extra-curricular activities where necessary
- staff training for teachers and support staff

- resources to support the delivery and assessment of core skills

Objective	Action(s) to be taken	Who is involved?	Time Factors	ResourceCost Implications	Estimated cost
<p>For pupil premium children to make expected or better than expected progress</p> <p>To close the attainment gap between Pupil Premium children and their peers by providing targeted academic support.</p> <p>To close the attainment gap between Pupil Premium children and their peers by providing pastoral and emotional support and removing barriers to learning.</p>	<p>To provide targeted individual and group support both in and out of class</p> <p>To provide additional support for emotional and pastoral needs and support to access learning</p>	<p>CM, EP, MT GH, BB, EM, NW</p>	<p>Mon- Thurs am</p>	<p>LSA hours in mornings for core skills</p>	<p>12 hours/ week/ Yr 4-6 class/ term 12 hours/ week / Yr 2-3 class 12 hours/ week/ R - Yr 1 class/ term £18,200</p>
