

# Trannack C.P Primary School SDP 2022 - 23

## Priority One

### 1. Quality of Education - Secure high standards of quality first teaching for all pupils. 'A great teacher in every classroom.'

- Additional funding is used effectively to enable the most disadvantaged pupils to achieve well incl. SEND, Pupil Premium disadvantage, EAL
- Writing, Maths and Reading/RWI
- EYFS

## Priority Two

### 2. Further develop the full curriculum, with a focus on the core areas, to support a high quality knowledge and understanding, and promote progress.

- Ensure that the curriculum is designed and delivered in a carefully sequenced manner, enabling all pupils, including those who are disadvantaged or have additional needs to achieve the ambitious targets set.
- Provide engaging learning experiences, across the whole curriculum which take account of pupil's starting points and through the effective use of assessment and adaptation to plans enable pupils to achieve the identified end points.
- Develop teacher subject knowledge across the curriculum to ensure that enable pupils to understand key concepts, participate in meaningful discussions and retain the knowledge and skills they have learnt.
- Improve standards of oracy across the school and in turn raise confidence and standards across the curriculum.
- Improve vocabulary throughout the school- reflected in written work and conversations.

## Priority Three

### 3. Improve resilience and learning behaviours throughout the school and in turn raise confidence and standards across the curriculum.

- Improve resilience in children to help them to overcome obstacles more easily and reduce the chances of them suffering from anxiety or other stress-related disorders.
- Improve learning behaviours to build independence in learning and make pupils more active learners.
- Improve verbal fluency in all subjects leading to greater confidence when sharing ideas, deeper responses with more clarity and therefore improving standards.

## Priority Four

### 4. Leadership - Ensure that the leadership and management across the school is effective in achieving positive outcomes for all pupils.

- Successfully implement the CPPD pathway – building blocks for teachers and senior leaders.

- Embed a culture across the school of high expectations and aspirations- linked to increased resilience- for all pupils, where pupils' individual needs are well met.
- Further develop the Governing Body.
- Continue to develop positive relationships between parents/carers and the school.
- Improve attendance and in turn improve outcomes.

MAT Development Plan - Further develop systems of monitoring and support to ensure the continued improvement in key outcomes for pupils		
Trust Leader - Tamsin Lamb		
Objectives	What will success look like?	How does this work positively impact on the quality of Teaching and Learning?
Ensure every pupil benefits from an ambitious, sequenced and progressive curriculum with clearly defined outcomes.	1.1. Every school has a defined learning sequence which secures a progression of skills, knowledge and concepts from EYFS to Year 6. 1.2. The curriculum in EYFS is sufficiently challenging and sequenced progressively across all 7 areas of learning. 1.3. High expectations and ambition are evident through clearly defined outcomes building on core knowledge in every area of learning. 1.4. The needs of disadvantaged pupils and those with SEND are considered and planned for to secure ambitious outcomes. 1.5. Staff have good subject knowledge	<b>Impact on T&amp;L</b> A high quality curriculum from which teachers can refine pedagogy will maximise learning
Further develop classroom practice to secure high quality first teaching for all, including pupils who are disadvantaged and have SEND needs.	2.1 Teaching of the curriculum ensures that pupils understand key concepts, and that they can transfer key knowledge to long-term memory and apply it fluently. 2.2 Assessment is used effectively to check pupil's understanding of the curriculum, to correct misunderstandings and inform teaching. 2.3 Where gaps are identified in pupils learning, provision enables them to catch up quickly, particularly in reading. 2.4 Provision for pupils with SEND is suitably ambitious, adapted to meet individual needs and ensures they are well prepared for the next steps in their education. 2.5 EYFS curriculum is taught in a logical progression, systematically with a wide range of learning opportunities which secure progress for all learners 2.6 End of Yr 1 phonics, KS1 and KS2 attainment is at least in line with National averages for reading, writing and maths in every school, including GDS. 2.7 Oracy strategies are planned across the curriculum for and implemented across the school; staff will be confident at facilitating talk and children will become articulate and be able to discuss learning, linking knowledge to prior learning.	<b>Impact on T&amp;L</b> Quality first teaching for all secures good outcomes including cultural capital.
To ensure leadership at all levels works	3.1 Curriculum Leaders actively engage with trust wide networks, develop the subject knowledge and leadership skills to monitor and evaluate their subject and take effective action to secure improved outcomes. 3.2 Leaders identify and actively promote development opportunities for all staff, linked to continuous performance management. 3.3 Leaders (including governors) value the Trust school improvement systems, they understand their roles and support available to them. 3.4 Trust and school attendance strategies are effective in improving attendance and punctuality for all and reducing the number of pupils who are persistently absent. 3.5 The trust performance management system (CPPD building blocks) supports professional development for all staff (inc TAs, admin, site staff).	<b>Impact on T&amp;L</b> Leaders effective in managing change and building effective teams will ensure staff can develop, becoming ever improving practitioners.

### Priority 1 Quality of Education

- Additional funding is used effectively to enable the most disadvantaged pupils to achieve well incl. SEND, Pupil Premium disadvantage, EAL
- Maths, Reading/RWI and Writing.
- EYFS

**Priority 2:**

**Further develop the full curriculum to support a high quality knowledge and understanding, and promote progress.**

- Ensure that the curriculum is designed and delivered in a carefully sequenced manner, enabling all pupils, including those who are disadvantaged or have additional needs to achieve the ambitious targets set.
- Provide engaging learning experiences which take account of pupil's starting points and through the effective use of assessment and adaptation to plans enable pupils to achieve the identified end points- **focus on core areas.**

- Develop teacher subject knowledge across the curriculum to ensure that enable pupils to understand key concepts, participate in meaningful discussions and retain the knowledge and skills they have learnt- **consolidate work done in History on Geography but a main focus core areas.**
