Dear Parents/Carers

I can hardly believe we're at the end of our second week of term already! It's been a very busy and productive start to the year, and all our fabulous Trannack children are now well-settled, focused and starting to produce some of their best work. Thank you to all the parents and carers who were able to attend the meetings on Wednesday. I trust that you found it useful and informative! Class teachers will also be sending out paper letters this week with most of the same information to ensure that everyone feels informed. As our primary communication platform, can I ask that all parents and carers try to check both the school and your child's individual Class Dojo regularly for information, updates and photos of what their class has been up to.

Thank you for your patience and support as we get up to full speed.

Many thanks!

Mr Boyes

INSET Days

Please note that we have an INSET day on Friday of next week 22nd September, there is also another INSET on Friday 6th October. These are for essential staff training and have been publicised in the newsletters before half term and in the left-hand column of this newsletter.

Wednesdays

In order to ensure that the office is manned each day, we have a new secretary who will be working on Wednesdays called Miss Ellis, she isn't due to start work until the end of the month. In the mean time Mrs Thomas will be covering, she works in Human Resources, for the MAT. She may ask you who you are when you buzz the gate, until she gets to know people.

Annual Consent Form

Thank you to the families who have already returned their consent forms. For those of you who have yet to return form by Monday of next week. If you have more than one child you will need to complete a form for every child individually. Please see Mrs Hoskins if you require further copies.

Early Bird & Kids Club Bills

Invoices for Early Bird & Kids Club for Jun/Jul are now on ParentPay. It would be appreciated if these could be paid as soon as possible.

Attendance

The class with the highest attendance last week was Praa Sands Class with 99.24%.

Tea Spoons

Please may we ask that children who bring yoghurts or similar to school in their lunch boxes also bring a spoon. All of the spoons from the staffroom have disappeared over a period of time due to children using them and then taking them home. If you have any spoons which you think might belong to school could you please return them. Thank you!

Digital Parenting – Tech tips to bring you together

Oracy and School Council

The members of the school council are continuing to facilitate the discussions that take place during our talking lunches, which aim to promote the development of oracy across the school. The question they have chosen for next week is: "Can you make traffic lights change from red to green just by staring at them. True or false?"

Explore augmented reality

Get outdoors and see the world a different way with augmented reality apps. Whether on a prehistoric hunt (Dinosaurs Everywhere, iOS only) or catching outlandish creatures (Pokémon Go!), these apps make moving and exploring more fun.

These booklets and other information have been sent home with Yr6 pupils this week.

Due to it being necessary to print the newsletter early this week the house points gained this week will be added to the newsletter next week.
