Dear Parents/Carers

NSPCC

Thank you for all those who donated towards the NSPCC number day, we raised £34 to support them.

Arriving Late

Please note that the school day begins at 8:40am. We understand that there are traffic lights on many of the local roads at the moment. Please bear this in mind and leave early enough to arrive at school on time.

After School Clubs

Additional to Early Bird and Kid's Club we have a number of extra-curricular clubs which will be running on various days as detailed below. The extra-curricular activities all run until 4:15pm. Please endeavour to collect your child promptly.

KS1 Art Club - Mondays - Mrs Woods

KS2 Cross Country Club - Mondays - Mr Boyes

KS1 Forest School Club - Tuesdays - Mrs Ash

Yr6 SATs Club - Tuesdays - Mrs Powley

EYFS - Yr6 Service Club - Wednesdays - Mrs Shields

KS2 Forest School Club - Thursdays - Mrs Ash

Swimming

The requested contribution towards swimming is £25. This can be paid via ParentPay. We would be grateful if contributions could be paid as soon as possible for Godrevy and Portreath pupils. Although swimming is a statutory part of the curriculum there is no funding to support this. Therefore, if we must subsidise it out of the school funds it is taking money from other areas of the school budget and supporting resources, which is why we depend on parental contributions.

Invoices

There are various invoices on ParentPay waiting for settlement. These include wrap around care, swimming for Godrevy and Portreath, also Portreath visit to Penlee House Gallery and their visit to Eden. Prompt payment would be much appreciated. We would also appreciate payment towards the Maritime Museum in December if this has been overlooked. Many thanks!

Woodlands Week

Godrevy Class had a great woodlands day, focusing on team-work, communication and mindfulness. We made some transient art works, worked in teams to make and cook dampers, held a competition to see which team could create the tallest structure using only string and wood and finally created some natural art, using the hapa zome technique. Well done to everyone for super teamwork and making this such a fabulous first day back.

Portreath Class - As we were unable to provide the rainforest delicacies to support our rainforest topic, we made traditional South American food which consisted of fajitas, mango salsa and caramelised bananas. They were simply awesome!

Praa Sands Class - As the weather improved during the afternoon it meant that we were able to go outside for our woodlands day. The children made dough animals, created animal habitats, went on a scavenger hunt and helped to build a den. We had a great time! 😊

Little Learners joined in with Praa Sands during our woodlands day. The weather improved so we managed to get out in our lovely woodland area in the afternoon.

National Online Safety - Teaching children to self-regulate online
Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development and nurturing these important skills can be hugely beneficial.

This is the first of the top ten tips for supporting children with their self-regulation.

Please ensure that school meals are regularly paid for on ParentPay.
