Dear Parents/Carers

## **Presentation for 25 Years Service**

Last week I was presented with a 25-year award for my service at Trannack. I was rather surprised to be invited into the assembly to accept the award and didn't really say much apart from thank you! I would just like to say that although I have worked here for over 25 years, I still enjoy every day like it was the first. I have seen many pupils, staff and parents come and go over the years and the role has changed enormously but I have enjoyed my time here so far very much. *Mrs Hoskins*

## **Healthy Snack**

We have noticed a growing amount of chocolate biscuits and crisps being eaten at snack time. We would like to request that children please bring in a healthy snack option for break times. Children should bring fruit (fresh or dried), vegetables, cereal bars, breadsticks, cheese, crackers or something similar. Chocolate and crisps should be kept for lunch times only as part of a balanced and varied diet. Thank you for your support.

## **School Meals**

Chartwells are providing some promotion meals next week, on Tuesday to celebrate St Piran's day there is a choice of meat pasty, cheese pasty or JP with cheese and/or beans. The deadline for ordering pasties was Monday 6<sup>th</sup> February, therefore we cannot guarantee that your child will be able to choose a pasty on the day if it wasn't ordered in advance. On Thursday of next week to celebrate world book day they are offering meat or veggie toad in the hole, JP, pasta or sandwiches.

## **World Book Day**

World book day is fast approaching and will be celebrated on THURSDAY the 7<sup>th</sup> of MARCH. Next Thursday we will be celebrating World Book Day by having a 'book breakfast'. Children are invited to wear their pyjamas to school and bring their favourite book to share. Parents are invited into the classroom between 8:40am and 9:15am to share stories with the children. We would also like to run a 'book swap'. If your child has a book at home that they no longer want or wish to read they can bring it into school and swap it for an alternative one!

## **Clubs Next Week**

Due to essential staff training for teachers, after school next week, we are unable to offer art, cross country or SATs club. All other clubs will run as normal. Very sorry for any disappointment or inconvenience.

## **Junior Life Skills**

Our Yr5 children had an interesting time when they joined other schools taking part in 'Junior Life Skills'. They participated in various workshops including first aid, fire safety awareness in the home, road safety, RNLI information, safety when using push bikes and how to check they are safe to use.

### Easter Fayre

This can be items you might already have at home, like hand soaps to unwanted toys or gifts hiding in the cupboard.

## 2. MEET CHILDREN HALFWAY

Unless you know where a child is developmentally and tailor your approach to their needs, you're less likely to have an impact. In particular, younger ones and children with SEND can struggle to self-regulate and instead rely on others to help them. We call this 'co-regulation'. Rather than offering strategies for self-regulation, it could be better to start co-regulating with a trusted adult first.

### National Online Safety - Teaching children to self-regulate online

Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development and nurturing these important skills can be hugely beneficial.

*This is the second of the top ten tips for supporting children with their self-regulation.*
