Half term: May 27th - 31st inc.
Summer: Jul 25th - Sep 2nd inc.

Dear Parents/Carers

World Book Day

We would like to say a BIG thank you to parents for their support during our reading breakfast yesterday and to all those who donated books for our book swap, which was a great success - there were absolutely loads of books to choose from! What a great way to recycle our preloved books. Also, as part of World Book Day, children are all given a £1 book token, this can be swapped for any of the £1 books or off any full price book or audiobook (as long as it costs at least £2.99). The redemption day is from Thursday 15th February until Sunday 31st March. You can redeem your token at any of the following retailers: Your local independent bookseller, Asda, Blackwell's (selected stores only), Sainsburys, Tesco, The Works, Waterstones or WHSmith. Please check with your store first to avoid disappointment. Children were given a book token yesterday. If your child was absent they should receive their token on their return.

Praa Sands Class had a great time during their book swap session, choosing from the numerous books which had been donated as part of the book swap.

School Council Fundraising - Some of our fabulous school councillors, along with our eco councillors, have been hard at work and have started production of bees wax wraps. These will be sold in order to reduce packaging waste and to raise money for an

outside games table made of recycled materials. A huge thank you to Jess Thomas for her kind donation of beautiful cotton fabric. If any one else has any oddments or off-cuts, they would be gratefully received and repurposed. ♻️

British Science Week

British Science Week is a 10 day celebration of science, technology, engineering and maths that will take place between 8-17 March 2024. This year's theme is 'Time'. As part of our Science week celebrations we will be having a Science day in school on Tuesday 12th March where children will be able to access a variety of interesting scientific investigations. On Wednesday 13th March, children are invited to come to school dressed as a scientist of their

choice e.g. astronaut, marine biologist, meteorologist, archaeologist etc. People who work in Science will also be visiting the school to talk to the children about their profession. On Thursday 14th March we will be holding our Science Fayre. For further information please see below:

Trannack Science Fayre

As mentioned in last week's newsletter, as part of our Science Week celebrations this year, our Science Fayre will take place on Thursday 14th March. All projects need to be in school by Wednesday 13th March. We would like to invite parents into school on the 14th at 2:30 - 3:00pm to see all the investigations and talk to the children about their Scientific enquiries.

Easter Fayre

Our Easter Fayre is taking place on March 23rd! It was a huge success last year especially our Tombola. To help raise money for our school you can still donate any tombola items you might already have at home, like hand soaps to unwanted toys or gifts that may be hiding in the cupboard.

Open Day

We will also be holding an open day on March 23rd. For more information, please see the attached poster.

Parking

We realise that at the beginning and particularly the end of the day there is limited parking available in the car park. Please can we ask that the disabled parking bay is left for the use of blue badge holders only. Thank you!

Invoices

There are quite a few outstanding balances on ParentPay including school meals, wrap around care, trips to Maritime Museum, Eden and Penlee, also swimming sessions. It would be much appreciated if you could settle any outstanding amounts please.

Reading Bands

Part of the process of gaining a new reading band is returning the old one in exchange for the new one. This doesn't always happen. Could we therefore please ask if you have any old wristbands, you return them to school so that we can re-distribute to other children. Once a child has obtained their black wristband, they get to keep it.

Attendance

Godrevy class had the highest attendance last week with 95%.

House Points

Hepworth won this week's house points. Well done!

Coose Trannack

Coose Trannack takes place on 20th April this year, more information will follow.

| Erin | Orange | | Godrevy |
| Seth | White | | Godrevy |

Following the information in last week's newsletter, please see the information regarding these workshops. There will be lots of helpful tips and tricks shared to support children with the sleep. If you want to book a place open the link in the dojo sent home on Monday of this week. *As previously mentioned, places are limited so may already be fully booked.*

Sleep Wise – a short presentation by Hunrosa Sleep Consultants to help parents with sleep strategies for young people and families.

Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development and nurturing these important skills can be hugely beneficial.

Book **HERE**

OR

Wednesday 13th March 2024
16:30 - 18:00 pm
Book [HERE](#)
