Half term: May 27th - 31st inc.
Summer: Jul 25th - Sep 2nd inc.

Easter Fayre

Our Easter Fayre is taking place on March 23rd! It was a huge success last year especially our Tombola. To help raise money for our school you can still donate any tombola items you might already have at home, like hand soaps to unwanted toys or gifts that may be hiding in the cupboard.

Open Day

We will also be holding an open day on March 23rd. For more information, please see the attached poster.

Minack

Due to essential building work at the Minack, the Shakespeare workshop will now take place at school on Monday for children in Portreath and Godrevy children. Children will be able to order a school meal as normal.

Dear Parents/Carers

Easter Holiday

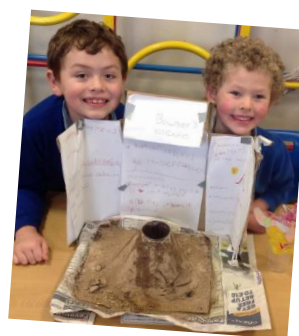

We break up for Easter on Thursday 28th March and return to school on Monday 15th April.

End of Term Assembly

This will take place on Thursday 28th March at 2:40pm.

British Science Week

What an incredible afternoon we had with this year's FANTASTIC science fayre! A very large number of children presented their research and experiments, all of which were properly scientific, interesting and fun. I wanted to take the opportunity to immediately say a HUGE 'well done' to all the children who took part. Thank you also to all the parents who came along and supported their children in getting their exhibits together (I've no doubt a lot of work has gone on 'behind the scenes!') and also a BIG thank you to Mrs Barnett for organising such an exciting and engaging event for the children. Please see some of the photographs below, more can be seen on Dojo. *All the best, Mr Boyes*

Residential

The remainder of the money for the residential is due by the middle of April, you might find it helpful to make smaller payments intermittently via ParentPay rather than the remaining amount at the end.

Invoices

There are quite a few outstanding balances on ParentPay including school meals, wrap around care, trips to Maritime Museum, Eden and Penlee, also swimming sessions. It would be much appreciated if you could settle any outstanding amounts please.

Piano in Need of a New Home

Sadly, our school piano no longer gets used and is in need of a new home. If you are interested please see Mr Boyes or Mrs Hoskins. You would need to make arrangements to move the piano yourself (it's quite heavy).

Attendance

Praa Sands class had the highest attendance last week.

House Points

Trevithick won this week's house points. Well done!

Coose Trannack

Coose Trannack takes place on 20th April this year, more information will follow.

Nelly	Orange	Portreath
Eddie	Brown	Praa Sands
Fergus	Orange	Praa Sands
Pippa	Yellow	Praa Sands

4. REMAIN PATIENT

If a child is struggling with their emotions, it can often become difficult to stay calm. Remember that dysregulation is beyond their control, so a display of frustration or anger could negatively impact the situation. Instead, children need to be met with comfort and understanding to help them manage these problematic feelings.

National Online Safety - Teaching children to self-regulate online
Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development and nurturing these important skills can be hugely beneficial.

This is the fourth of the top ten tips for supporting children with their self-regulation.

School Meals

Please ensure that school meals are regularly paid for on ParentPay.

School Meals
