# Dear Parents/Carers

Bank Holiday

School will be closed on Monday May 6<sup>th</sup> as it is a bank holiday.

#### **INSET** Days

We have two more INSET days left this academic year, 08/05/24 and 17/06/24. School will be closed on these days for staff training.

#### The Beginning of the Day

We would like to give a quick reminder that children can join in with Wake & Shake from 8:30am. Otherwise, children should arrive for registration at 8:40am. Late arrivals need to be taken to the gate by parents but should come to the school office on their own to sign in. Parents do not need to bring children into the school grounds.

#### Swimming for Praa Sands Class

Praa Sands had their first swimming session today. The requested contribution is £25, this can be paid via ParentPay. Although swimming is a statutory part of the curriculum there is no funding to support this. Therefore, if we need to subsidise it out of the school funds it is taking money from other areas of the school budget and supporting resources, which is why we depend on parental contributions. Praa Sands class will be swimming for 5 sessions, their last session will be on the 17<sup>th</sup> May.

## Coose Trannack Cross Country Race

Coose Trannack takes place tomorrow. If you are available to help in running the event, it really would be much appreciated, as would any cake donations, thank you!

#### Residential

The remainder of the money for the residential needs to be settled by the end of next week.

**Woodland Sessions** As part of **Praa Sands'** woodlands day, children made nature crowns from plants and flowers. 'Plants' is our topic this term, so children also did some flower spotting.

**Portreath Class** had a lovely woodlands day on Wednesday. Following their topic Victorian Britain, the children made a traditional Victorian meal 'kedgeree' and played games that Victorian children would have played.

**Godrevy Class** had a great woodlands day on Tuesday. They made s'mores, did some whittling and extracted vegetable colours to make light sensitive paper. They also did some tree measuring and used natural materials to recreate maps and flags.

# House Points

Davy won this week's house points. Well done!

# Clubs This Term

Monday - KS1/KS2 Gardening Club Tuesday - Yr6 SATs Club Tuesday - KS1 Forst School Club Wednesday EYFS/KS1/KS2 Services Club Thursday - KS1 Art Club Thursday - KS2 Forest School Club Nb. KS1 = Yr1 & Yr2.

## Thank you!

Thank you so much to Colin (Fergus' dad) for making our lovely new play structure for Praa Sands outdoor area. The Little Learners had great fun using it as a marble run and water run too. With their imagination there is no end to it's uses.

An overlap between sensory needs and emotional regulation is possible. Children may struggle to self-regulate if they're experiencing sensory overload (a noisy classroom, for example). Positive sensory input can help calm them down. Use resources such as weighted blankets and fibre-optic lights. Of course, what works for one child might not work for another – so it's important to offer a choice of resources to discover which they prefer.

# National Online Safety - Teaching children to self-regulate online

Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development and nurturing these important skills can be hugely beneficial.

This is the seventh of the top ten tips for supporting children with their self-regulation.
