Diary Dates

INSET Days - May 8th, Jun 17th
Half term: May 27th - 31st inc.
Summer: Jul 25th - Sep 2nd inc.

Dear Parents/Carers

Bank Holiday

School will be closed on Monday May 6th as it is a bank holiday.

INSET Days

We have two more INSET days remaining this academic year, 08/05/24 and 17/06/24. School will be closed on these days for staff training.

Chicken Pox

Please be aware that there has been a confirmed case of chicken pox identified in school. If your child has chicken pox, please follow recommended NHS guidance, which is that they should be kept at home until all the chicken pox spots have crusted/scabbed over. After this, they can return to school as normal.

Coose Trannack Cross Country

Another great Coose Trannack event! Really well organised thank you so much to Andy, Jo, Tracy, all the parents, past pupils and staff who gave up their time to help out and support our school. There was lots of really positive feedback.

Coose Trannack

Well done to all of the Trannack runners, especially Harvey who came first in his race.

Attendance

The class with the highest attendance last week was Praa Sands class with 96.07%.

Annual Parental Questionnaire

One of our Governors will be handing out a parental questionnaire at the end of the day. We would be grateful if you could complete it at the time or take it home to complete and return to school next week.

School Uniform

We would like to remind you that children should wear their school uniform every day. If it is a PE day they should wear their PE uniform, children should not come to school in jogging bottoms on any other days.

PE Sessions

If a child is unable to participate in a PE lesson due to health reasons etc. parents must either email the class teacher, email Mrs Hoskins or send in a note. We are unable to accept the information from pupils.

House Points

Hepworth won this week's house points. Well done!

Residential

The remaining payments for the residential should have been settled by now.

House Points

 Thursday - KS1 Art Club
 Thursday - KS2 Forest School Club

8. NURTURE INDEPENDENCE

If you feel it's appropriate, let children try out these strategies alone. Always offer them a choice: they could listen to music when they're feeling stressed, for example, or they could write down their worries or draw something to represent how they feel. This may take time for the child to get used to, so be patient. Encourage them to share any helpful strategies with a trusted adult.

National Online Safety - Teaching children to self-regulate online
 Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development and nurturing these important skills can be hugely beneficial.

This is the eight of the top ten tips for supporting children with their self-regulation.

School Meals
