Diary Dates

INSET Days - May 8th, Jun 17th
Half term: May 27th - 31st inc.
Summer: Jul 25th - Sep 2nd inc.

Dear Parents/Carers

Bank Holiday

School will be closed on Monday May 6th as it is a bank holiday. We are also closed on Wednesday May 8th for a school INSET day.

INSET Day - 17th June

We have one more INSET day remaining this academic year on 17th June. School will be closed on this day for staff training.

Collecting from School

Please make sure that you let us know directly if your child is being collected by another child's parent, a grandparent, other relation, friend or member of staff. This can be a call to the office or a message on Dojo, just to say who is collecting your child/children, if it is not who we are expecting. Please also let us know the adult's full name as well as any other name/nickname, the child might know them as, apart from those we normally see. Without this confirmation we won't be able to let the child/children go home until we have contacted you to check, which might cause a delay in them leaving school. This is to ensure the children's safety and to avoid confusion too.

Coose Trannack

So far we have raised an amazing £2000 at Coose Trannack. We will keep you updated when all figures have been finalised in the next few weeks. This wouldn't have been possible without all the help from parents, staff and friends. A big thank you to everyone concerned.

Non-Uniform Day

Hepworth and Davey will be having a non-uniform on Friday of next week (10th May), for being House Point joint winners last half term.

Attendance

The class with the highest attendance last week was Praa Sands class with 95.20%.

Praa Sands' Geography Lesson

Praa Sands class enjoyed their time in Coose Trannack with its open space and amazing views, for their geography lesson last week.

Early Bird & Kids Club

To ensure we have the correct ratio of staff to children it is essential that you email or call to book your child into wrap around care in advance. Thank you!

Annual Parental Questionnaire

One of our Governors has been handing out the annual parental questionnaires. If you have taken one home to complete, we would appreciate it if it could be returned to school by Friday of next week. There is now also another option for completing it, you can use the following link (if you haven't completed the paper copy). Please only complete the questionnaire once. Thank you!

Fundraising for Our School

Hello! Our names are Percy and Sephy Butcher, we are currently in year 6 and year 4. In Sept 2022 we climbed Snowdon in Wales with our mum and dad, we loved it so much we have decided to climb Scafell Pike in May half term.

This time we would love to try and raise as much money as possible for our school! If you could donate anything at all we would really appreciate it! Thank you so much, Team Trannack!

The link below is to our just giving page!

Liam	Green	Godrevy
Annie	Green	Portreath
Emma	Green	Portreath
Fergus	Blue	Praa Sands
Pippa	Orange	Praa Sands

9. MODEL GENUINE FEELINGS

Children learn a lot just from watching grown-ups. Don't be afraid to show your own emotions and self-regulation strategies. While you'll obviously want to avoid sharing anything too personal with children, they should still see us experiencing and handling our own feelings. Tell them how you are feeling, then show them how to respond in a healthy manner.

National Online Safety - Teaching children to self-regulate online

Children need to learn to understand and recognise their emotions, while finding healthy ways to process them. Emotional self-regulation depends heavily on age and development. Nurturing these important skills can be hugely beneficial.

This is the ninth of the top ten tips for supporting children with their self-regulation.
