Half term: May 27th - 31st inc.
Summer: Jul 25th - Sep 4th inc.
Autumn term - Sep 5th - Dec 20th inc.

Dear Parents/Carers

Half Term

We break up today, for half term and return to school on Monday 3rd June.

The End of Another Half Term

It's hard to believe we are at the end of May already! It only seems a few moments ago we were all at the starting line, ready for the beginning of another new academic year! We've had another eventful and exciting half term at Trannack. Here are just a few of the highlights:

- The **vastly** improved weather!
- Coose Trannack
- Rock Steady starting teaching music lessons at Trannack
- Year 5 trip to King Edward Mine
- Year 6 working incredibly hard through SATs
- EYFS trip to Godolphin House
- Praa Sands' swimming lessons
- April's amazing Woodlands Days

There's a lot to look forward to next half term too, as we make it to the finishing straight! We've got the Year 5/6 residential in Newquay, Sports Week (including Jonathan Patterson, an international paralympic footballer visiting us on 21st June and Sports Day on 27th June), further trips for each class and our usual end of year celebrations are just a few headline events to look forward to!

Thank you once again to all our staff for the incredible commitment they give to Trannack, to you, the parents, for all your support and of course, to the children for bringing all their amazing personalities and abilities to Trannack. What a team!

Have a lovely half term,
Mr Boyes

Sad News

We were very saddened to hear that Ray Ashmore passed away earlier this month. Ray was valued member of our governing body for a number of years. Ray had also been a great support to the school for many years, dating back to the late 1980s when one of his daughters attended the school. He and his wife were a big part of Trannack back then, helping with Christmas celebrations, parties and fundraising etc. He will be sadly missed.

School Group Photographs

These will take place during the afternoon of Thursday 6th June. Please ensure children are wearing the correct uniform.

Godrevy Class Science Lesson

To conclude their topic on 'light' Godrevy class made periscopes during their science lesson this week.

First Wave Residential - 10th - 12th June

Parents' meeting - 3rd June at 3:15pm. This is for the parents of all children attending the Newquay Residential. During this meeting we will be explaining in detail all aspects of the residential, including expectations for behaviour. Please make every effort to attend.

School Governors

We are currently recruiting governors for our local governing committee (LGC). We need to fill parent and community categories. School governors are vital in ensuring that schools achieve the best possible outcomes for children and young people. There are no specific qualifications or requirements for the role - every governing board needs a balance and diversity of knowledge, skills and experience. You don't need to have a background in education. You will be asked to attend 6 meetings per year, from 4.30-6pm approximately, and would be required to carry out one school visit each term. This roughly equates to a commitment of 25-30 hours each academic year as a minimum. If you are interested and would like to learn more about the role, please contact Mrs Hoskins in the school office or call on 01326 572100. If you are a parent and are interested in the role you will need to complete a nomination form (this will need to be signed by two other parents. If you know anyone who might be interested in a community position, please ask them to contact Mrs Hoskins in the first instance.

Attendance

The class with the highest attendance last week was Godrevy class with 96.50%. Well done!

Sports for Schools - Friday 21st June

Please see the letter and sponsor forms which will be sent home with the newsletter today.

Wrap Around Care

Please ensure that wrap around care invoices are settled promptly, there are a number outstanding from last half term. If you have used Early Bird or Kid's Club in the last few months please check ParentPay to settle your invoice/s.

School Meals

Please ensure that you settle any outstanding school meals which are owing, thank you!

Water Bottles

Please ensure children bring their water bottles to school, this is especially important as the weather warms up.

Annual Parental Questionnaire

Thank you to all the parents who took part in the annual questionnaire. The results will be forwarded to the Trust.

House Points

Hepworth won this week's house points. Well done!

- **KS2 Forest School Club:** This club will take place on Thursdays and will be run by Mrs Ash.
Children will need to bring suitable footwear, long trousers and a waterproof coat for this club.

Clickbait - What are the risks?

INAPPROPRIATE CONTENT

Due to the misleading nature of many examples of clickbait, what may seem to be innocuous and child friendly could actually contain age-inappropriate material such as extremist political views or violent, pornographic or sexually explicit content. This is clearly a hazard for young people, who could be upset, disturbed or influenced by exposure to such subject matter.

What Parents & Educators Need to know about CLICKBAIT

Clickbait is a controversial online marketing strategy which uses sensationalist (and frequently misleading) headlines to encourage engagement with an article, image or video - often playing on users' emotions and curiosity, while much of the actually content is of questionable accuracy. Clickbait is also sometimes used to disguise scams, phishing sites and malware.

This week's certificates go to:

Name	Class	Certificate	Reason
Lachy	Godrevy	Learner of the week	For putting a large amount of effort into improving his writing.
