Dear Parents/Carers

## INSET Day

School will be closed on Monday of next week for an INSET day. Children will be back to school on Tuesday 18<sup>th</sup>.

## School Uniform

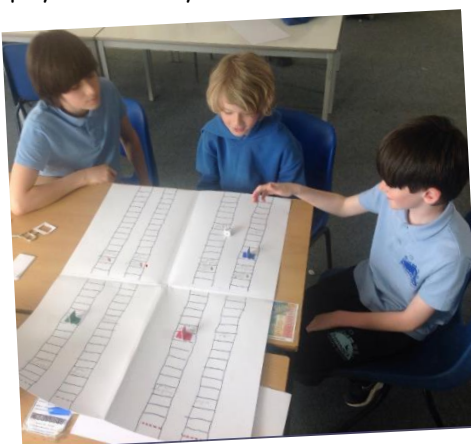

As we begin to think about the end of the year, I hope that this is a useful time to update you on our uniform for next year. Essentially, it is staying the same as this year, with the small change that, rather than separating the crew neck jumpers and hoodies for normal uniform/PE kit, the children can wear either at any point, recognising that for some children, the hoodies are a lot more comfortable. Therefore, these are the uniform expectations for September 2024:

- Sky blue polo shirt, preferably with the Trannack logo
- Royal blue Trannack crew-neck sweater or hoodie
- Royal blue Trannack cardigan
- Grey trousers, uniform/tailored shorts, skirt or pinafore dress
- Royal blue gingham dress (May-September only)
- White or grey socks/grey tights
- Plain black shoes
- PE kit (to be worn on PE days): sky-blue t-shirt (preferably with the Trannack logo), navy blue shorts or jogging bottoms.

I would very much like to have a stock of second-hand uniform that will be housed and free to take in the reception area. If you have any old uniform in good condition that is no longer needed that you would be willing to donate, it will be gratefully received! Please ensure all items are washed before bringing to the school office. School uniform can be purchased via [www.hartpersonalised.com](http://www.hartpersonalised.com) or [www.myclothing.com](http://www.myclothing.com)

## Godrevy Inventions

Some of the children in Godrevy invented their own board games, which they played once they were finished.

## Forest School Club

All children attending Forest School club must wear long trousers. Without their legs covered they will be unable to attend and will have to go to Kids Club (which there is a charge for).

## Changes to the Pupil Privacy Notice

The Trust has made a minor change to the pupil privacy notice, to include using pupil information for educational research. If you wish to look at this change or any other of the other Crofty Academy policies please click on the following link:

This must reach us by 19<sup>th</sup> June at the latest. After this date, places cannot be guaranteed due to limitations with accommodation.

The class with the highest attendance last week was Godrevy class with 98%. Well done

A letter and sponsor form were sent home last week to inform you about this event, please take a look at the letter to see the different ways in which children can be sponsored.

## School Governors

We are currently recruiting governors for our local governing committee (LGC). We need to fill parent and community categories. School governors are vital in ensuring that schools achieve the best possible outcomes for children and young people. There are no specific qualifications or requirements for the role - every governing board needs a balance and diversity of knowledge, skills and experience. You don't need to

have a background in education. You will be asked to attend 6 meetings per year, from 4.30-6pm approximately, and would be required to carry out one school visit each term. This roughly equates to a commitment of 25-30 hours each academic year as a minimum. If you are interested and would like to learn more about the role, please contact Mrs Hoskins in the school office or call on 01326 572100. If you are a parent and are interested in the role you will need to complete a nomination form (this will need to be signed by two other parents. If you know anyone who might be interested in a community position, please ask them to contact Mrs Hoskins in the first instance.

## Clickbait - What are the risks?

**PRIVACY PROBLEMS**

Some clickbait leads to sites which could coax a child into volunteering their personal data - using pop-ups to ask them for their email address and phone number, for example, in exchange for accessing additional content or subscribing to various services. Normally, this harvested information is then sold to third parties, who often utilise it for targeted adverts and other sales schemes.

## What Parents & Educators Need to know about CLICKBAIT

Clickbait is a controversial online marketing strategy which uses sensationalist (and frequently misleading) headlines to encourage engagement with an article, image or video - often playing on users' emotions and curiosity, while much of the actually content is of questionable accuracy. Clickbait is also sometimes used to disguise scams, phishing sites and malware.
