Dear Parents/Carers

INSET Day

School will be closed on Monday 14th October for a school INSET day, for essential staff training.

Half Term

We break up for half term on Friday 25th October and return to school on Monday 4th November.

Parent Assembly

The parent assembly this half term will take place on **Thursday 24th October** at 2:50pm. Please note that this is the penultimate day of half term rather than the last day.

Parking and Driving Safely

Please can we ask that parents do not park outside the front of the school main gate or on the yellow zigzag lines when dropping off as this is dangerous and also against the law. Please also avoid parking on the lane opposite school unless we have made an agreement for you to do so. Instead, please use the school car park for dropping off and picking up. Finally, please take care in the narrow lanes to and from school.

What Parents & Educators Need to Know About Worry & Anxiety

CREATE A SUPPORTIVE ENVIRONMENT

Parents and educators play a crucial role in creating a supportive environment that promotes emotional wellbeing. Establishing routines, providing predictability and offering reassurance can help relieve anxiety and create a sense of security for children. Foster a culture of empathy and understanding, where children feel safe enough to express their emotions and seek support when needed.
