Dear Parents/Carers

We've arrived at the end of our first half term of the year already! It's been busy, fun and full of learning. Some of the highlights of this half term include:

- Woodlands Days at the end of September
- Sailing and Surf Clubs
- Road Safety assembly with the local police force
- In-school clubs such as wellbeing, services and book-making club
- Portreath trip to Truro Museum

Thank you to all our brilliant staff for their incredibly hard work and commitment throughout this long first term. Well done to the children for all their hard work and everything they bring to the school and thank you, too, to all our parents for the support you give to Trannack.

Have a fabulous half term.
Mr Boyes

Half Term

We break up for half term today Friday 25th October and return to school on Monday 4th November.

Bonfire Night

There are probably going to be lots of bonfire night celebrations before we come back to school in November. Please take care!

Surfing

Unfortunately, due to the minibus being out of order surfing was postponed this week. The good news is that we have been able to replace it with a session on Friday 8th November, we will be leaving school at 2:30pm prompt, due to the darker evenings.

A Science Lesson in Portreath Class

Portreath class have been investigating how magnetic forces can act at a distance. They also investigated which material would attract a metal car from the furthest distance.

Individual Photographs

Hatchbox photography will be coming to school during the afternoon of Friday 22nd November, when individual and family photographs will be taken

New Menu

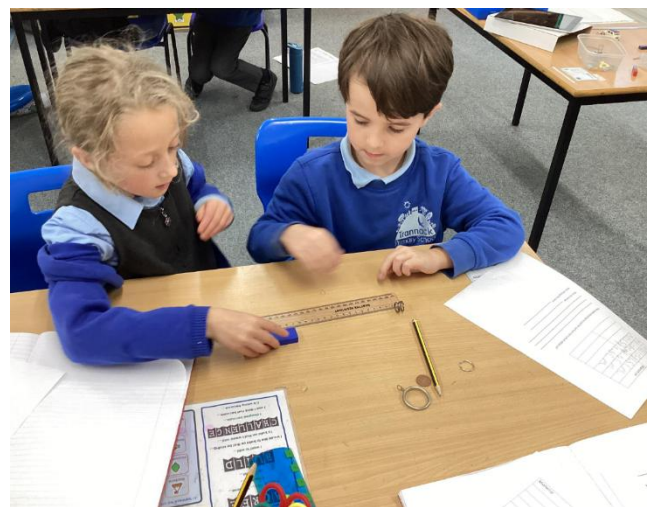

Chartwells have provided a new menu for the winter term. Please see Mrs Hoskins if you would like a copy.

Parent Workshops

Reminder - The workshops below are taking place in November.

Phonics workshop - Tuesday 5th November at 2:30pm in the hall - for all parents of children in EYFS and KS1, to provide a better understanding of how we teach phonics to early readers and how parents can support early reading at home.

Reading workshop - Tuesday 12th November at 2:30pm in the hall - for all parents of KS2 children, to provide a better understanding of how we teach reading in KS2 and how parents can support and encourage their children to continue to read as they get older.

Internet safety workshop - Tuesday 26th November at 2:30pm in the hall - for all parents of children of all ages, to provide a better understanding of the risks involved.

There is no need to sign up for these workshops, you can just come on the day!

Attendance - Well done to Portreath class who had 100% attendance last week.

Reminder

Please ensure that all school clothing is labelled, just a name on an inside label in biro is sufficient. It will enable us to find the owner when something is lost and found. It also prevents clothing getting mixed up and going home with the wrong child. Thank you!

What Parents & Educators Need to Know About Worry & Anxiety

SEEK PROFESSIONAL HELP

Recognising when to seek professional help is vital for addressing significant or persistent worry and anxiety in children. If worry or anxiety significantly impacts a child's daily functioning, interferes with their relationships or academic performance, or causes significant distress, it may be necessary to consult with a mental health practitioner. Early intervention can prevent long-term consequences and promote positive outcomes for children's psychological wellbeing.

House Points

Fleetwood won this week's house points. Well done!
