Ancient Greece and Greek Legacy

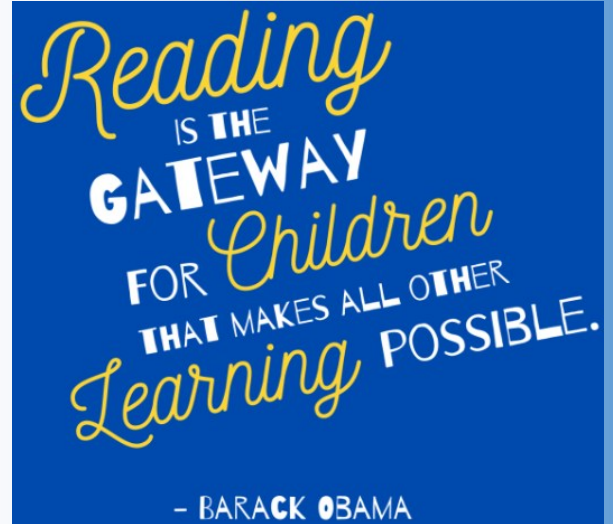

Trannack Reading Spine

The Boy Who Cried Horse
by Terry Deary

Portreath class are reading 'The Boy Who Cried Horse' by Terry Deary as the fiction text from their reading spine for this half term.

Terry Deary's Greek Tales explore the world of Ancient Greece through the eyes of children who could have lived at the time. These stories feature real people and take place in some of the most recognisable Greek settings. **This book will extend children's exploration of the historical period and models texture and detail in settings and descriptions.**

2. Reading aloud builds **curiosity** and **motivation** as children learn about new things and want to know more.

Accelerated Reader

To support our KS2 children to develop their reading skills, we use a programme called Accelerated Reader. Each child completes a short assessment at the beginning of every half term which provides them with a numbered banding of books for them to choose from. Once they have finished their book, the children complete a short quiz to test their understanding of the book they have read. Every time a child does a quiz, the wordcount for the book they have finished is added to our school total, which currently stands at a brilliant: **1,033,783** words read since the start of September!

Reading Karate

Oliver ~ White ~ Godrevy
Jake ~ Yellow ~ Godrevy
