All about my school

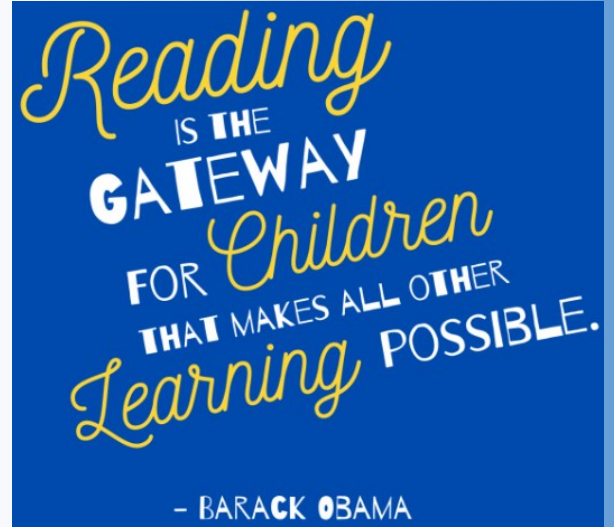

Never bring a bear to school – Mark Spelling

The predictable rhymes in this text are perfect as a basis for introducing rhyme to children in **EXES** and descriptive statements/commands to KS1. This fun book is a salutary tale for young readers about the perils of bringing a bear to school. Its laugh-aloud comedy will cause much discussion in Praa Sands, supported by the enticing illustrations. It also paints a fantastic picture of all the activities taking place in a classroom which children will be able to relate to.

Trannack Reading Spine

Praa Sands Class are reading 'Never Bring a Bear To School' by Mark Spell as the fiction text from their reading spine for this half term.

3. In children's books, ideas unfold slowly, page-by-page, allowing children to practice patience, make predictions, and **focus their attention.**

Accelerated Reader

Once children have finished their book, they complete a short quiz to test their understanding of the book they have read. Every time a child does a quiz, the wordcount for the book they have finished is added to our school total, which currently stands at a brilliant: **1,518 812** words read since the start of September!
