

Trannack News

Dear Parents

Well done to all our children for the great work they have done this week. There's particularly been a lot of effort put in across the school towards us all working more independently, which has been a challenge, but one that the children are rising to very well!

I hope you all have a lovely weekend - Mr Boyes

Side Gate Entrance - Please can we ask that parents close the side gate once they have entered or left the school grounds. Vehicles are always using the lane and we had a near miss earlier this week when the gate was left open.

Decider Skills - We are very fortunate that our wonderful Educational Mental Health Practitioner, Sarah Jackson, is leading us in developing a new whole school approach to mental health and wellbeing, which will sit alongside our PSHE curriculum and the wellbeing activities already in place. Sarah will work with each class over a number of weeks to develop Decider skills so that children become more skilled at recognising, understanding and communicating their thoughts and emotions effectively, which can encourage and maintain positive relationships with themselves and other people. Once all the workshops have been delivered, the children will be provided with a Decider Skills booklet, containing the essential life skills they have explored, so that you can practice at home if you wish. This approach has been very effective in other schools, we are looking forward to embracing it here at Trannack.

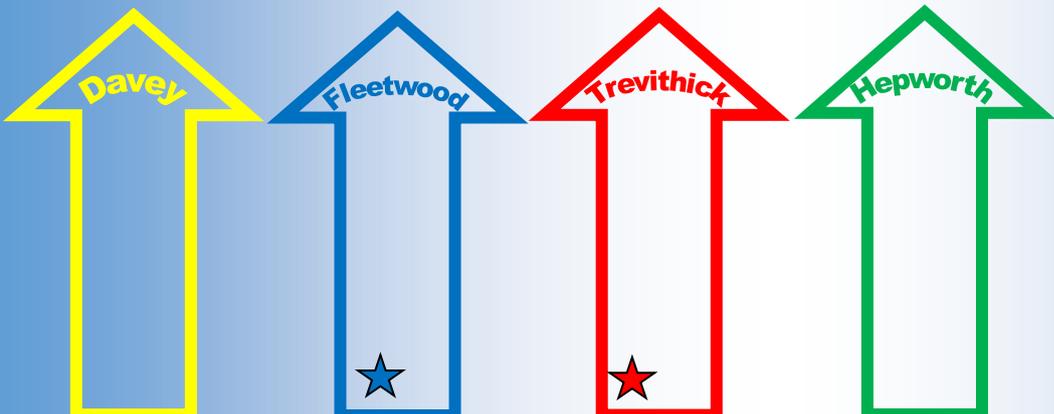

Portreath class are learning about multiplication and division in maths this term. They have been enjoying some times table maths games this morning.

Health Information

Hearing Screening - This will take place for children in Yr1 on Monday 10th February.

NHS Pharmacy First Service - Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply): Earache - 1 - 17 Yrs; Impetigo - 1 year and over; Infected insect bites and stings - 1 year and over; Sore throats - 5 years and over; Sinusitis - 12 years and over; Uncomplicated urinary tract - Women 16 to 64 years; Shingles - 18 years and over.

This week's certificates go to...

Alaska in Portreath ~ Citizen of the week for showing great resilience in his approach to his work this week.

Isobel in Praa Sands ~ Learner of the week for applying her learning at home and writing a beautiful spring poem.

Arlow in Praa Sands ~ Citizen of the week for being resourceful and using resources to help her with addition and subtraction.

The Mayans

Oh, Maya Gods! by Maz Evans

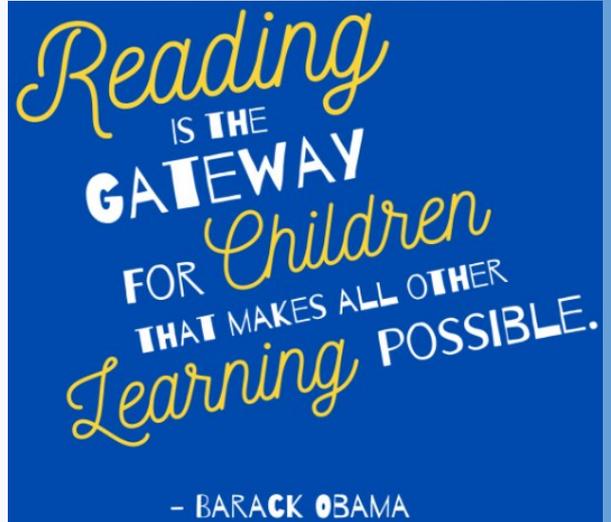

Written by Maz Evans, Oh Maya Gods is a funny, fast paced adventure which is full of historical detail about the beliefs and practices of The Maya. **This knowledge, and that gained from the non-fiction text, will inform a historically accurate diary entry from the point of view of a Maya citizen. This text also models various forms of the past tense, including the continuous perfect, and embeds understanding of conventions of dialogue.**

Trannack Reading Spine

Portreath class are reading 'Oh, Maya Gods! By Maz Evans' as the fiction text from their reading spine for this half term.

10 Great Reasons to read aloud to children

8. Listening to read-aloud gives children the chance to practice listening, asking, **thinking, and problem-solving** - skills they will need to be successful, lifelong learners.
