

Dear Parents/Carers

Half Term & INSET Day - Today was the last day of this half term. Children will return to school on Tuesday 3rd June as Monday 2nd is an INSET day.

Suncream & Hats - Please ensure that children come to school with suncream and hats just in case they are needed.

Healthy Snack - Please provide your child with a healthy snack for breaktime, for example a piece of fruit, healthy cereal bar or cheese & crackers - but no nuts please. A healthy snack should be eaten at break times and chocolate and crisps should be saved for lunch times. *This complies with the government nutritional standards for schools.*

Residential Meeting for Parents - There will be a meeting with Mrs Neill from Sithney Mrs May and Ms Neild regarding the residential. This is for parents and Yr5/6 pupils who are attending. It will take place on Tuesday 3rd June at 3:30pm.

Small School Dodgeball Tournament - Portreath class had great fun at the dodgeball competition on Tuesday of this week.

Naming school clothing. There are many items of lost clothing in school. Non of which has children's names in. Please ensure all school clothing, including shoes, is named. A name can easily be written on the back of one of the labels in biro.

Parent & Toddler Group - The first session will take place on Thursday 5th June during the morning from 10am—11:30am. Everyone is welcome, please contact Mrs Ross if you are interested or have any questions. Kerensa.ross@croftymat.org Please see the attached poster, and spread the word!!

Headlice - There have been a couple of cases of headlice (that we know of). School holidays are an ideal time to check and treat hair. Please be aware that this has to be done more than once

After School Clubs - All clubs will run as normal after school starting the first week back after half term, this includes art, multi-skills and performing arts.

Multi-skills - OPEN TO YR R - YR 6 - Trafford is running a Multi-Skills club, this runs on Tuesdays from 3:15pm - 4:15pm. This will be for all children from YrR - Yr6. Mrs May will also be helping if there are enough children in attendance.

Godrevy Visit to the Hall for Cornwall - Godrevy class thoroughly enjoyed their visit to the Hall for Cornwall to see Horrible Histories. There are a couple of contributions outstanding, it would be much appreciated if these could be settled in the next few days. Thank you!

Sailing - The first session will take place on June 4th followed by 4 other sessions on 18th, 25th and July 2nd & 9th. It will cost £32.40 per child with concessions for children on FSM. This is a great opportunity to learn how to sail at an extremely reduced cost, or improve already learnt sailing skills. Please ensure that you complete the online health declaration/waiver on class dojo if your child is taking part.

Wrap Around Care Invoices - Invoices for Feb/Mar 2025 have been uploaded to ParentPay, if you have used the facility last half term, between February 25th and April 4th, please pay promptly via ParentPay. Please also ensure any outstanding invoices are settled as soon as possible. Thank you!

End of Term Assembly - Please could trophies received last year at the End of Term Assembly be returned after half term, ready for this year's assembly. Thank you!

Hepworth were this week's House Point Winners, well done!

A reminder of the school times

8am - Early Bird

8:30 - Wake & Shake

8:30 Children can arrive and wait in the playground with their parents.

8:40 - Doors open

8:45 - Registration

15:15 - End of the day

15:15—17:00 Kids Club

Swimming - The requested contribution towards swimming is £25 for Godrevy and Portreath classes and £20 for Praa Sands class. This can be paid via ParentPay. We would be grateful if contributions could be paid as soon as possible for all classes. While swimming is a statutory part of the curriculum there is no government funding to support this, and we are not permitted to use our PE funding for whole class swimming lessons. Therefore, heavily subsidising lessons out of the school budget takes away from the resources we are able to provide across the curriculum and the support we can give to the children, which is why we depend on parental contributions. If you are able to support us with this, it is very much appreciated.

Dodgeball

Well done to our Portreath class who came third in the dodgeball competition. A special mention to Alaska who was awarded 'most valuable player'.

Art Club

The children added seaweed and bubble detail to their under the sea pictures this afternoon. They looked absolutely amazing and worthy of framing. Art club will be back again after half term.

This week's certificates go to....

Godrevy ~ Learner of the week to be announced next half term.

Godrevy ~ Citizen of the week to be announced next half term.

Alaska in Portreath ~ Learner of the week for taking part in a dodgeball competition and getting the most valuable player award.

Nelly in Portreath ~ Citizen of the week for being a friendly, caring and helpful member of the class.

Henry in Praa Sands ~ Learner of the week for super focus and writing a very detailed information report. Well done!

Ellie in Praa Sands ~ Citizen of the week for showing amazing resilience. Well done!

Pen Licences

Well done to Edward and Penny who have been awarded their pen licences.

World at War: The Battle of Britain

When the Sky Falls by Phil Earle

When the Sky Falls immerses readers in the life of a child in war-torn Britain during WW2. It is emotive and compelling throughout. It has been chosen to help children to understand how to develop characters in narratives as well as serving as an excellent example of how to build a story towards a memorable climax.

Trannack Reading Spine

Godrevy class are reading 'When the Sky Falls' by Phil Earle as the fiction text from their reading spine for next half term.

Amazing Fun Facts for Children

The Heart of a Blue Whale

The heart of a blue whale is so big that a human could swim through its arteries! Weighing as much as 1,300 pounds (about the size of a small car), it's the largest heart of any living creature.

Reading Karate

Theo - Yellow - Portreath
Henry - Yellow - Praa Sands

There Exists a Book that Purifies Water
Could you ever imagine a book that kills bacteria? There is one! The Drinkable Book is printed on filter paper that can kill **waterborne bacteria**. The book is a creation of the non-profit organization WATERisLIFE; its goal is to attract attention to sanitation and hygiene issues. The book is unique, with its pages coated with **silver nanoparticles**. They kill waterborne bacteria that cause such diseases as cholera, typhoid, and E. coli.
