

Dear Parents/Carers

Sports Day - Weather permitting this will be taking place at 1:30pm on Tuesday 24th June. Children are invited to wear a t-shirt in their team colour on that day. If children don't have anything in their team colour they can wear a bib from school. Please ensure that they have plenty of water in their drink bottles, a hat, suncream and coat should the weather be colder than it is currently.

Sports Day - Help Required - We have 2 large tents for shade/shelter that require a few bodies to put up on the playing field. If you can spare your time to help out, we would appreciate it on the morning of sports day, Tuesday 24th June, straight after dropping off in the morning (weather permitting). And finally, on the afternoon of sports day (24th), we need 4 volunteers to run the refreshments for the event. We will sort the food and drink, if we can have people who could serve the refreshments and take the money on the day. The children will need to eat after the event, so as not to choke or get indigestion whilst participating in the events and it's on Mrs May's risk assessment! Thank you.

Stay and Play Sessions - Our Little Learners and additional children, who will be starting in reception in September, are invited along with their parents, to join us for a stay and play session on Wednesday 2nd July and Thursday 10th July. Further information will follow.

Hatch Box Photography - The photographers will be in school on Friday of next week to take class photographs. Please ensure children are wearing their school uniform and look presentable.

Bikeability - This will be offered to children in Yr5/6 starting on 3rd July. There will be three different sessions for each group, children will need to bring their bikes and helmets to school to participate. We will inform you next week which sessions your children will be invited to take part in.

Infant Trip to Marazion - The infants, including Little Learners, will be going on a beach trip to Marazion on Tuesday 8th July. They will be travelling there by minibus during school hours. They will be able to walk along the causeway as the tide will be out. Further information will follow.

Surfing for Portreath and Godrevy Classes - On Thursday 10th July the children will be spending a surf day with Global Boarders at Gwithian Beach, the activities on the day will include surfing, surf lifesaving, beach games, team building with the Mega SUP, and water confidence exercises. Please keep an eye out for the letter which was sent home today, as there is a reply slip attached for returning. We will need to place an order for any packed lunches required by Monday 30th June.

Parent/Community Get Together - This will take place on Saturday 5th July, we are hoping to have a session 'sprucing up the grounds'. If there are any volunteers who could lend a hand between 10 and 12 noon, to weed, dig, plant and generally help us to look shipshape that would be amazing. We already have lots of plants ready for planting, kindly donated by Tesco (via Jo Hart). We are also looking for plants, soil, chippings and tree stumps if you have any spare. All gratefully received!

End of Term Assembly ~ Tuesday 23rd July - 2pm ~ Please could trophies received last year at the End of Term Assembly be returned as soon as possible, ready for this year's assembly. Thank you!

Communication to Parents - We will be using Arbor to send text messages to parents to inform them of a bumped head. If we think the bumped head is serious we will of course still call you, otherwise you will receive a text to inform you that your child had a bump on the head (face, mouth, chin etc.) and that we will monitor for the rest of the day. Another text you may receive from us is a reminder to let us know of your child's absence, if they are absent and we haven't been informed of the reason. This is a new system so please bear with us whilst we get used to it.

Parent & Toddler Group - Please contact Mrs Ross if you are interested, know someone who may be interested or have any questions. Kerensa.ross@croftymat.org

Amazing Fun Facts for Children

Honey Never Spoils

Honey is one of the few foods that can last forever. Archaeologists have found pots of honey in ancient Egyptian tombs that are over 3,000 years old and still perfectly edible! The secret is in its natural preservatives and low moisture content.

Mark Twain's, Adventure of Tom Sawyer is said to be the first novel written on a typewriter.

Mark Twain wrote 'The Adventure's of Tom Sawyer' in 1875 and it was published the following year, 1876. Mark Twain was not a fan of the typewriter when he first used it though.

In fact, he gave away the typewriter when he was writing 'The Adventure's of Tom Sawyer' twice. Both times it returned to him.
