Dear Parents and Carers

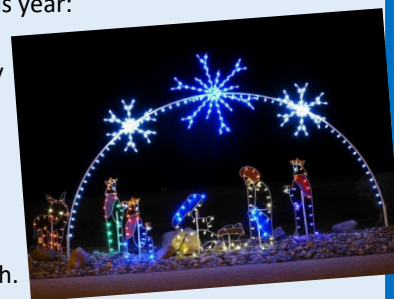

With play rehearsals in full swing, chilly weather arriving and a growing feeling of excitement in the air, it can only mean one thing—Christmas is fast approaching! Even so, we're still managing to fit in various clubs, Bike Ability and a great deal of fabulous learning. The action certainly never stops at Trannack!

*I hope you all have a wonderful weekend,
Mr Boyes*

Parents evenings - these will take place after school on Wednesday 3rd and Thursday 4th of December. We're really looking forward to sharing your child's progress and achievements with you, so please book your appointment on Arbor, using the parent portal. Let us know if you have any trouble with this.

Christmas events - please make a note of the dates and timings for our main Christmas events for this year:

- Tuesday 9th December - rehearsals taking place during the afternoon at Helston Light & Life (Water-Ma-Trout, Helston, TR13 0LW), therefore children will need a packed lunch on this day and they will also need to be collected from Light & Life at 3:15pm.
- Wednesday 10th December - final rehearsals taking place during the afternoon at Light & Life (children will again need a packed lunch and will need to be collected from Light & Life at 3:15pm), then return to Light & Life at 5:30pm to get ready to begin the performance at 6pm. The performance will last approximately 45 minutes.
- Thursday 11th December—Christmas Jumper Day, with present wrapping and Christmas Lunch.

Pantivity at the Light & Life Centre, Helston - Please see the poster on the last page regarding this. For ease of booking there is a QR code on the poster, alternatively, if you click on one of the links below where you will also be able to book tickets.

 Tickets: Tuesday 25th November: [Book here](#) Wednesday 26th November: [Book here](#)

Online Safety - Mr Boyes will be running an online safety workshop for parents after school on Monday 1st December. This will start at 3:15pm and is expected to finish at 4:15pm. With children's ever increasing access to the internet, keeping them safe online is becoming much more challenging. We need to help children understand the potential risks they may encounter online and empower them to make smart choices to protect themselves and their peers. Please note, children of parents attending the workshop will be entitled to a free place in after school club on this day.

Fundraising - Thank you so much for all of your sponsors and donations so far, totalling over £1000! For those who still wish to donate/ sponsor, go to: <https://gofund.me/9f0520e51> and transfer the amount they would like to give. The second option is to collect cash which can be handed in to the school office. Thank you to the FTS for their support in organising all our fundraising events.

Individual and Family Photographs - Hatchbox Photography came to school today and took individual and family photographs. Your child should have brought a slip home with the information you will require to enable you to place an order. If you place your order by the deadline of 30th November the photographs will be delivered to school and postage will be free, additional to this there will be a 10% discount if you spend more than the minimum purchase of £27 by this date. If you miss the deadline you will have to pay a delivery charge of £3.95. Digital photographs are also available and carry no postage charge, although it is preferable that they are also ordered before 30th November.

Bikeability - Our Yr3 & Yr4 pupils had great fun on Monday with their Bikeability sessions. Their second session takes place on Monday of next week, please don't forget their bikes and helmets. They will also need a warm showerproof coat and possibly gloves too.

Flu Vaccines - There have already been many flu outbreaks in schools around the county this Autumn. Kernow Health are running flu clinics at various locations across Cornwall in December, by appointment only. If your child missed the vaccine in school this week you can book directly with Kernow Health: **01872 221105**. For further information email kernowhealthcic.schoolimmunisation@nhs or see the poster on the last page. Kernow Health are hoping that if they can increase the uptake in Cornwall it will reduce the likelihood of further flu outbreaks, especially around Christmas.

The email contains a link which will take you to the online document, within this document is a link giving parents the option to opt out. If children are not 'opted out' the checks will go ahead.
- **Annual School Visits & Journey Consent** - As an alternative, you can now give consent for this and permission to watch up to PG films on Arbor, you should find this in the area where you completed the photograph consent. You can still complete the new online version of this form by clicking on the link or scanning the QR code. If you have used this method we will copy the information across to Arbor in the next week or so.

If you are having difficulty with any of these forms please see Mrs Hoskins or Mrs Vincent in the school office.

The Monkey with a Bright Blue Bottom

Steve Smallman & Nick Schon
Storytime
Read by Steve Smallman

Victor Hugo really struggled with procrastination.

Whilst writing The Hunchback Of Notre Dame, he had his servants take away all of his clothes so that he wouldn't be tempted to go out during the day when he was supposed to be working, effectively forcing him to write in the nude

'Octopants' last week was for ages 3 - 5 not ages 9 - 11.
