Trannack News

Dear Parent(s),

What an end to the term has been! There's been a lot going on just in this final week, including:

Rocksteady Concert - Thank you to our wonderful budding musicians, The Pink Panthers, The Exiting Axolotls and The Preposterous Penguins. What a great performance from them all, everyone thoroughly enjoyed the concert on Monday. Well done to everyone who took part. Keep it up!

Whole School Cinema trip - The children had a fantastic time watching the Muppets Christmas Carol on Wednesday along with their popcorn and drink treats.

Santa Fun Run - We had a fantastic time yesterday morning running laps around our school field. All the children took part and should be very proud of their efforts. Well done to Mr Boyes for managing 10k/40 laps! There are more photos of this on the next page and on Class Dojo.

Thank you! From the Food Bank - Helston & Lizard Foodbank send their grateful thanks for the Harvest donations made earlier this year. There was a total of 34.38kg of food. This is very much appreciated especially at this time of year. Thank you again to everyone who kindly donated!

Well Done! - Fleetwood were house point winners for this term, well done! Their non-uniform day reward will take place on Friday 9th January.

Return to school - Tuesday 6th January will be the first day back in the new year (Monday 5th January is a school INSET day).

Starting School in September - This is just a reminder, if you have a child (or know of one) who is due to start school in September 2026, the deadline to make an application for a place is 15th January 2026.

Autism in Schools Team

Our team support autistic children and young people aged 4 to 16 who are on roll at a school in Cornwall. We support schools to include autistic children and young people in all activities. We want autistic children to be able to join in, learn, and thrive. We mostly work in schools. We sometimes work in the home. We work alongside other teams to encourage joint problem-solving. We promote support and strategies that are neuro-affirming and evidence-based.

We are a neurodiverse team and celebrate the strengths this brings. We have a mixture of professional experience, academic experience, and lived experience.

Safeguarding Matter

We have been made aware that the children's book series 'According to Humphrey' (as seen below), have several books that contain a link to a website which has been compromised and takes people to highly inappropriate and unsafe content.

From what we can gather, the problematic links can be found on the back cover and may also be included on a page inside. The advisable thing to do is either remove the books immediately or remove the page/s with the weblink. Please be extra-vigilant with all children's books that contain links and ensure that they are checked by an adult.
