

Dear parent(s)

It's been another busy week at Trannack! Following Coose on Saturday, Praa Sands had a fabulous trip to Eden on Monday, there was our Open Day on Wednesday and Trust Parliament ballot on Thursday in addition to lots of fantastic learning taking place. With only four school days left to go until the Easter holidays, we've got another action-packed week ahead!

If you haven't yet managed to complete this year's Parent Survey, please scan this QR code to share your thoughts with us.

I hope you have a great weekend, Mr Boyes

End of Term - We break up on Thursday 2nd April for the Easter holidays and return to school on Monday 20th April.

End of Term Celebration Assembly - all parents are invited - This will be held at 2:30pm on Thursday 2nd April. There will be no Kids' Club after school or Cross Country club on this day.

Coose Trannack - What a wonderful day we had last Saturday! The weather was fabulous, the children had a great time, everything went as smoothly as possible and the event raised £2741! Thank you once more to everyone who volunteered to help before and on the day, with special thanks going to Andy Ross, Jo Hart and Tracy Rands for heading everything up.

Fundraising - Our latest fundraising figure is now **£8096!** For more information or to donate, visit <https://gofund.me/9f0520e51>

The Eden Project - Praa Sands Class had a fantastic time on Monday at the Eden Project, take a look at the photos on the next page.

CAST

Godrevy Visit to Cast - Don't forget that it's our trip to CAST in Helston on Monday! There's no cost as CAST facilitate these workshops for free. Please remember to send your child in with a packed lunch if you have not already ordered one via Chartwells. Children will be travelling to the venue in Helston via minibus or staff car.

Invasion Games Festival - Godrevy have been invited to take part in a small schools KS2 invasion games festival held at Wendron Football Club on Tuesday afternoon next week. The event is fully inclusive to all KS2 children; our children have been playing these games in their PE lessons on Tuesdays so they are well-practised. The children will be leaving at 12:15pm and will return by 3pm, so no additional arrangements need to be made. The children will need to be wearing their PE kit. Please note, details of the event have only just been finalised, hence this information being shared with you now.

Starting School in Reception - Please take a look at this interesting website, a free, practical online resource designed to support families in preparing their child for school. Tips to guide parents regarding 'School Readiness'. Some of the topics are: How can I help my child get ready? What if my child has additional needs? The basic skills to practice before your child starts school. Growing independence. Building relationships etc. to name but a few. Click on this link (or press ctrl & click the link, this will take you to the website: www.startingreception.co.uk additional links which may also be useful: [The Potty Training Guide - Starting Reception](#) [The Children's Toothbrushing Guide - Starting Reception](#)

The London Marathon - Jackie Jewell (the neighbour who lent us her field for parking during Coose Trannack, and has done so for many years) is running the London Marathon this year. She will be fundraising for The Children's Sailing Trust which is something she is very passionate about. In her words....
"This year, I have taken on the challenge of running the London Marathon to try to raise £10,000 towards our 2026 Schools Sailing Programme (despite never having run further than 10k before!). Every pound raised will go directly towards ensuring children, including those with additional needs, can continue to access this programme and benefit from these opportunities. Every mile of training reminds me why this matters. CST helps young people discover confidence, freedom and joy through sailing and every pound raised will help more children experience that same sense of adventure and belief in themselves. This isn't just a marathon. It's a journey of purpose, perseverance and gratitude, one that connects my personal challenge with the mission I'm proud to lead. Please support me if you can: every step, every mile, every child." Please click on this link to find out more about Jackie's marathon challenge or if you would like to make a donation towards it: [Children's Sailing Trust: Running for Purpose - Every Mile for Every Child](#)

Parent Survey - Trannack School
2026

A reminder of the school times:

8am - Early Bird

8:30 - Wake & Shake

8:30 Children can arrive and wait in the playground with their parents.

8:40 - Doors open

8:45 - Registration

15:15 - End of the day

15:15—17:15 Kids Club

School Meals Change - Chartwells are offering Friday's meal option on Thursday next week. See the menu on page 5 for clarification.

Swimming - Today was the last swimming session for Godrevy class. Praa Sands class will start their swimming sessions on Friday 24th April, further information regarding this will follow.

Local Dentist - Smile dental care in Helston are now taking NHS patients (under 18s). This a great opportunity to register your children with an NHS dentist, very few are taking on new patients.

Uniform - We have recently been in touch with Whirlwind Sports as we have decided to move our uniform supply from an online retailer (myclothing.com) to support a local supplier. Please try this link to their website where the Trannack uniform has been promoted. You can also purchase uniform from 'Hart Personalised' - 07846 536992.

Praa Sands Class Trip to The Eden Project

The children had a fantastic time at the Eden Project on Monday. The trip was linked to their Geography topic about climate and the equator. The children were told a story called 'A Pocket Full of Eden' about a rainforest dinner party which then led to them having a food hunt in the rainforest biome using their senses. At the end of the day they had time to play in the park, the slide was a big favourite. They were understandably very tired on their journey home.

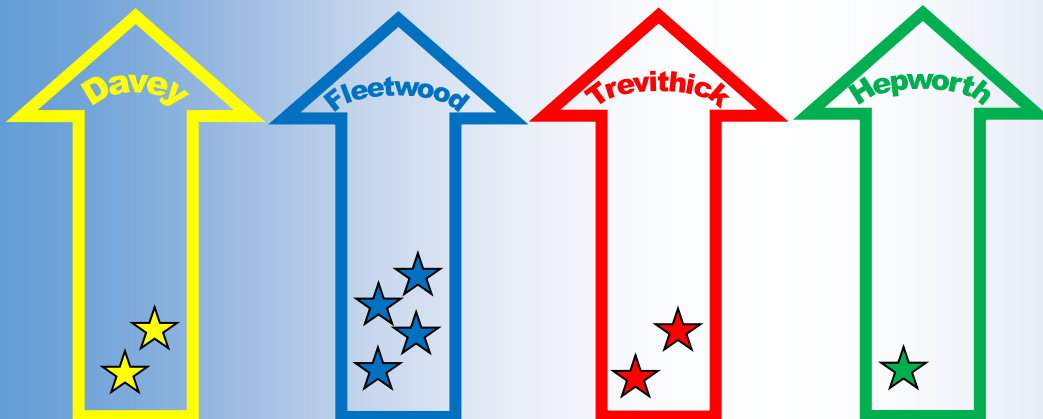

This week's certificates go to...

Jake in Godrevy ~ Learner of the week for showing resilience in his learning and being responsible!

Edward in Godrevy ~ Citizen of the week for setting an example in always being ready to learn!

Isobel in Praa Sands ~ Learner of the week for excellent work in Geography, using a world map to locate countries across the Equator. Well done!

Eddie in Praa Sands ~ Citizen of the week for being ready to learn and an excellent role model for his friends on our trip. Thank you!

Attendance

Whole school to date: 93.6%

This week:

Praa Sands ~ 100% ~ Well done!

Godrevy ~ 99%

★ *Fleetwood were this week's house point winners. Well done!*

"A book is a film that takes place in the mind of the reader. That's why we go to the movies and say 'Oh, the book is better'".
Paulo Coelho

Well done for reading four times this week!	
Godrevy	Praa
Elodie	Pippa
Emma	Fiadh
Annie	Ralph
Ayden	Maisie
Theo	Eddie
Penny	Rose

Online Safety Information

To help you with the transition of pupils from primary to secondary, why not download this **FREE Leaflet for parents**

- understanding risk
- using tech for good
- **healthy habits** and tips
- **when best** to get a phone

Secondary school ready? Pointers for family conversations about safety

Use and watch good tech

- Choose technology that supports learning – e.g. maths, languages and BBC Bitesize.
- Enjoy quality TV as a family - avoid endless short-reel videos on individual devices. For ideas see: commonsensemedia.org
- Ask your school for device recommendations.

Follow school phone policy

- Read the school's policy to support the school and reinforce the messages at home.
- Consider, does your child have the skills to manage a smart phone? Would a more basic phone be better to start with?
- Agree Home Rules for device use too – such as: familyagreement.lgfl.net

Form good daily habits

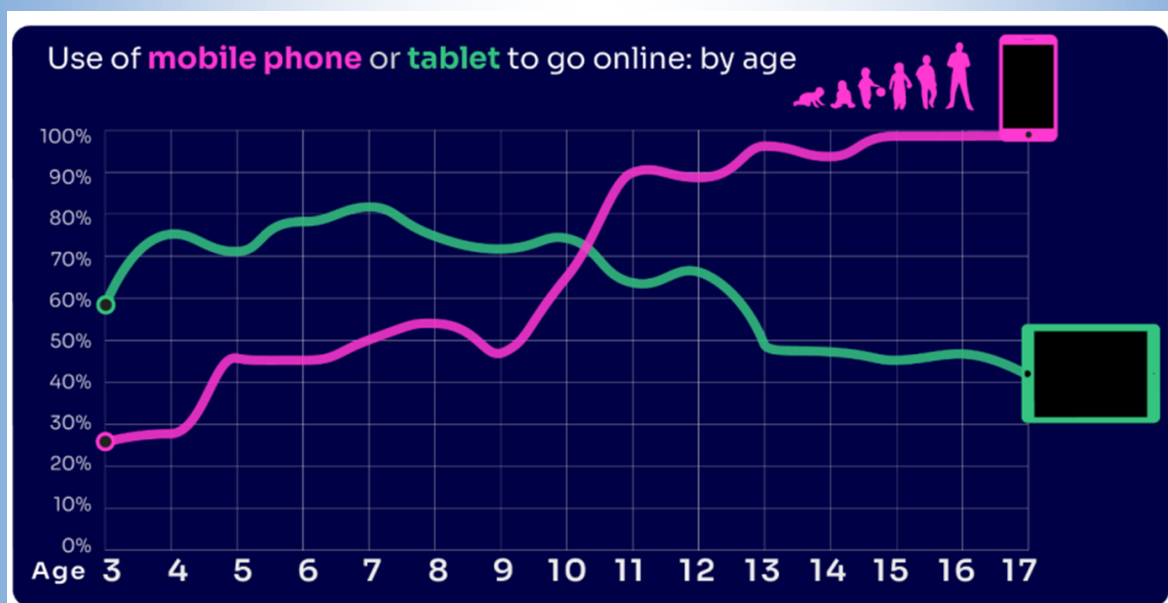

- Limit gaming to the weekends – school nights will be busy with homework and clubs.
- Follow minimum age restrictions on apps and games.
- Avoid mindless scrolling. Be mindful of what you digitally consume.
- Read quality books at bedtime.
- Create a study area at home without mobile devices.
- Keep phones and gaming out of bedrooms.

Real online harms

The NSPCC calls the internet the "Wild West," because extreme and harmful content is easily accessible on mainstream social media and contact with strangers via platforms and games is all too frequent. Children don't always understand the meaning of words nor the impact of viewing/hearing extreme content. They get excited by new friendship groups and often struggle to self-regulate on these highly addictive apps, which nudge children to share photos, videos and location. Schools have behaviour policies which include expectations of online behaviour. Children who reuse rude words they've heard online or share inappropriate content could face serious consequences.

- Be involved and set security passcodes on children's devices. Consider limiting access to this 'junk food' type tech.

By age 11, nine in ten children own their own mobile phone, distinct from using a family device

This correlates with transition from primary to secondary school.
