Parent Governor Election Announcement

Parent Governor Election Announcement

Do you want to help improve the life chances of every child in your school?

Do you want to help make a difference?

Are you looking for a new challenge?

Can you spare some time to help us?

We are looking for two parents to join the existing team of parents, community members and staff who work together as our Local Governance Committee.

As a governor you can help make a difference to every child in the school – by being a critical friend and both supporting and challenging the school's leadership team to drive school improvement.

You do not need previous experience of governance or education – just *the motivation to make a difference and the willingness to commit your time and energy.*

The Local Governance Committee meets every half term on a Monday at 5:15pm.

If this sounds like you please contact the school office, and they will provide you with further details about the role, and a nomination form. The deadline for nominations is 22nd May 2026

If you are interested please see the information posted on Dojo today.

Trim Trail - Although we still have some funds to raise to meet our target, we will soon begin to plan what we would like to have for the new trim trail; we will be asking the children to give us their views as well as staff and parents. We would also like help from any willing parents to support us in working on an external funding application (more information about this to come!).

Our latest fundraising figure is now **£8196!** To donate, visit <https://gofund.me/9f0520e51>.

New Lunch Booking System - Children have always selected their school meal choices in the classroom each morning. This is changing soon and from later this term your child's school meal choice will need to be made by yourselves, as parent/carers, on ParentPay. This will need to be completed in advance, and at the latest by 8.30am each morning before Chartwells run the day's lunch reports. This will need to be completed for all children who are having a school meal. You will be able to book day by day, per week or per month. The booking facility will be live on your ParentPay account once we move to the new booking system. If a school meal has not been booked for your child, it will be assumed they are packed lunch. This is a move being made by all of our Crofty Educational Trust Schools. We will keep you informed of progress. Many thanks in advance for your support.

Wrap Around Care Invoices - These invoices are now available for payment via ParentPay. Thank you!

Next Week's Menu - Please see the change to Thursday's meal supporting 'Chartwells Waste Warrior Take Over.'
