

Dear parent(s),

It's been a very busy and eventful first week back, with the Porthpean residential, Godrevy's den-building project and Praa Sands' DT project making axels and wheels for pull-along toys, in addition to all the usual core learning and subjects!

We've got a busy week coming up, with the multiplication check for Year 4, phonics screening for Year 1 and all our clubs starting up again!

I hope you have a great weekend.

All the best, Mr Boyes

Before this day, we would like to have a school tidy up on Saturday 13th June from 10am-12noon for anyone who is able to help. Thank you!

Godrevy Residential and Woodlands

Godrevy class had a wonderful time at Porthpean, despite the miserable weather. We did climbing, caving, silent disco, bushcraft, beach games, bodyboarding, laser tag and high ropes! What a wonderful week we had and all the children behaved wonderfully, had lots of fun and represented Trannack beautifully. Meanwhile, back at Trannack, the rest of Godrevy class who weren't at Porthpean had great fun den building and toasting marshmallows on the fire pit.

Online safety

The NSPCC has published a news story setting out three key changes that it believes could help to better protect children online.

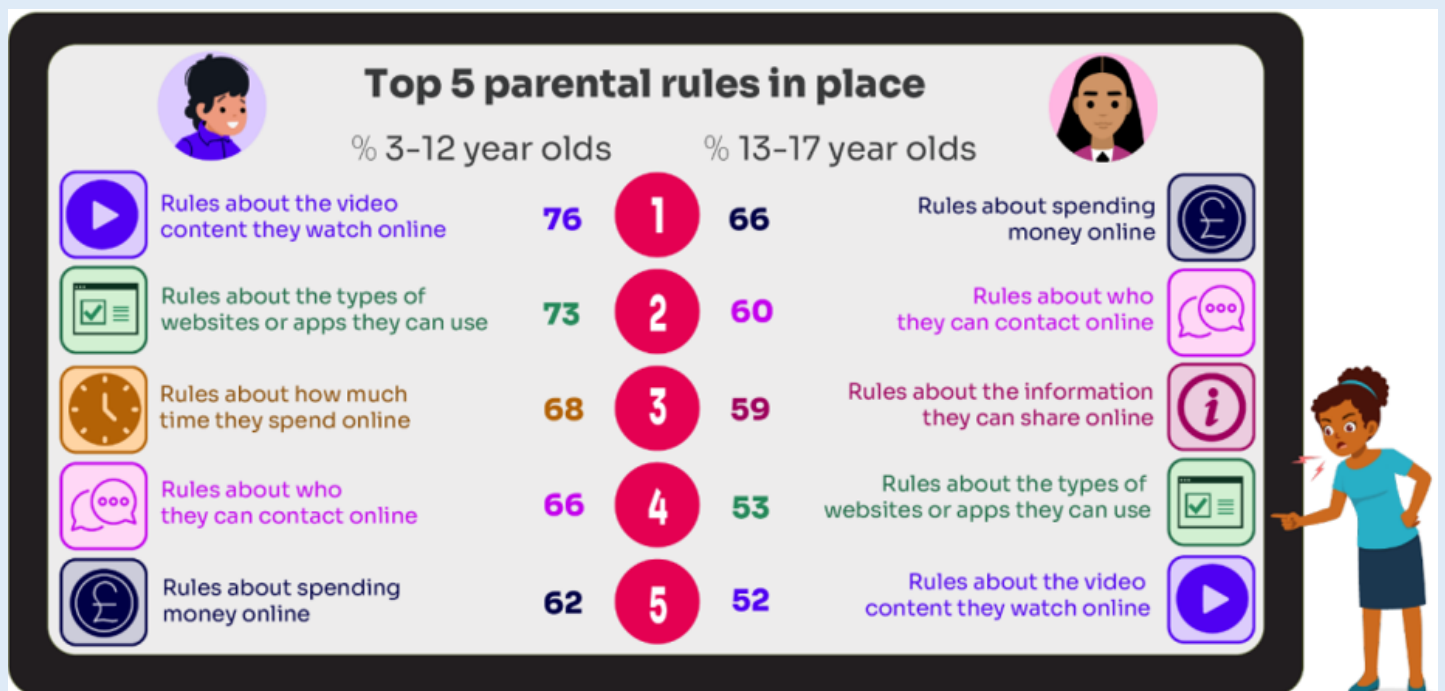

Following on from the government's recent consultation on the steps it might take to stop children being harmed online, the NSPCC is calling for:

- *meaningfully enforced risk-based age limits, similar to film ratings, with tech companies using highly effective age assurance to protect children from using sites and platforms that aren't suitable for them;*
- *banning the use of addictive design techniques which aim to keep children watching, gaming and scrolling;*
- *and ensuring that safety is built into every device, platform and AI tool to prevent children seeing harmful content or illegal images.*
